

John L. Sullivan Chrysler, Dodge, Jeep and Ram in Yuba City is proud to announce a new benefit program for members of

## Public Employees Union, Local #1

We understand the process of purchasing a vehicle can be time consuming and tedious. When the time comes to get a new or used car or truck you probably wish you had a friend in the business. Well, now you do. In an effort to keep your business local and make the entire process painless, we're offering this benefit program to you.

All Public Employees Union, Local #1 members can now get fleet pricing with the ease of a fleet sales process on any new or pre-owned vehicle. This makes the deal quick and easy. New vehicles will be priced at \$100 to \$300 over invoice depending on the vehicle and pricing structure. The discount may not apply to some performance vehicles (just ask us for details). On any pre-owned vehicle in our inventory, you'll get a haggle free up-front price that will be below Kelly Blue Book retail valuation.

Take advantage of this program which is not available to the general public. You no longer have to purchase 10 or more vehicles to get a fleet deal. Just come in and ask for one of the fleet/internet managers, present them with proof of your membership, and you'll be amazed at how easy the process is. You have our commitment to make this the very best experience purchasing a vehicle. You will also receive an additional 10% discount on any accessories purchased from our parts department.

Ask for: Jaime Sprague or Kevin Hyland - we want to be your friend in the car business.
