Member Pricing Program

Here, at Larry Geweke Ford we understand that the purchase of a new or previously owned vehicle is an important one. I know that it can be a time consuming and an overwhelming experience, which is why I am offering you an Member Pricing Program that will help make your car buying experience a pleasant one.

Members of Sutter/Yuba County Employees' Association can now get hassle-free, upfront pricing and financial information. As Business Preferred Fleet Manger, I am willing to work over the phone and give product information or vehicle quotes. I will show the dealer invoice on any new vehicle of interest. With the Member Pricing Program any new vehicle purchased (includes both **Ford and Kia** products) will be at a small percentage over the invoice price and any previously owned vehicle will be well below Kelly blue book retail.

This program is not available to the general public, so please come in and take advantage of all that I have to offer you. Simply come in and ask for me, Bill Weeks, provide proof of membership (by showing your membership card or pay stub indicating dues deduction) and see how easy your car buying experience can be.

With the purchase of any new or previously owned vehicle I will provide you with many extras such as free oil change, full tank of fuel, two keys and owners manual to every vehicle, free car washes plus many years of service to you ensuring your complete satisfaction.
